Comprehensive Human Resources Integrated System (CHRIS)

Existing Users: [Logon to CHRIS](#)

GSA's Comprehensive Human Resources Integrated System (CHRIS) e-Tool enables employees to access their personnel files online.

CHRIS is the automated tool used by GSA Human Resource (HR) professionals, and its client agencies to document employment history. CHRIS Personal View provides GSA and its client agency employees with the ability to access their updated personnel records from their desktop.

Information on how to log on to CHRIS, user guides, and instructional tutorials on a variety of topics are available on the [CHRIS help page](#). [CHRIS Frequently Asked Questions \(FAQs\)](#) are provided to help employees become familiar with the system.

Password Reset & Account Setup

If you're new to CHRIS or forgot your password, please click on the link for your agency from the list below. You will be directed to a web page that will help you obtain your password.

Select your agency:

- [General Services Administration](#)
- [National Archives and Records Administration](#)
- [National Credit Union Administration](#)
- [Railroad Retirement Board](#)

[Employee Express \(EEX\)](#)

CHRIS - FOR OFFICIAL USE ONLY

WARNING: This is a Government computer system. Your use of it, authorized or unauthorized, constitutes consent to official monitoring. Unauthorized usage of a Government computer system may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be provided to appropriate personnel for administrative, criminal or other action (18 U.S.C. 1030).

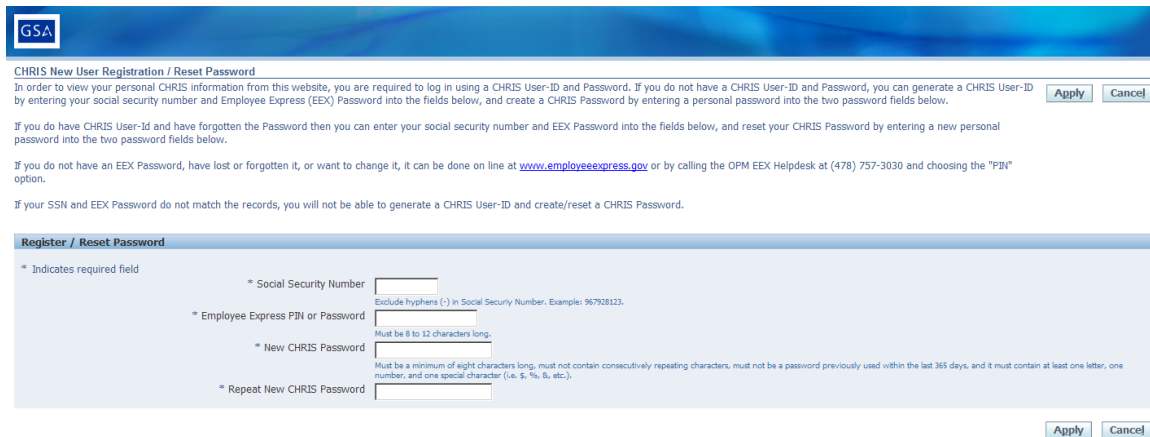

PRIVACY ACT WARNING
Information contained in this system is subject to the Privacy Act of 1974 (5 U.S.C. 552A, as amended). Only authorized persons conducting official business may use personal information contained in this system. Any individual responsible for unauthorized disclosure or misuse of personal information may be subject to fines up to \$5,000.

SECURITY INCIDENT
A Security Incident encompasses the unauthorized access, use, disclosure, disruption, modification, or destruction to an information system. If you discover, or suspect, that a security incident has occurred, report all activity to gsa.chris@gsa.gov.

RULES OF BEHAVIOR
I will adhere to the standards set forth in the Privacy Act of 1974 when dealing with data and will safeguard all sensitive and Personally Identifiable Information (PII).
I will safeguard my own password and I will not share passwords with any other person, including other employees, management, or technical staff.
I am responsible for all access made with my password.
I will not remove Sensitive or PII information from the CHRIS application and store it on a hard drive, network drive or any type of removable media without appropriate safeguards.
I will not access/share any personal data on any person except in the specific performance of my duties.
I will not knowingly enter any false or inappropriate data into CHRIS.

I acknowledge that I have read and understand the rules of behavior for access to CHRIS and that I will abide by these rules and the specific security rules of my agency.

The CHRIS New User Registration/Reset Password window opens.

GSA

CHRIS New User Registration / Reset Password

In order to view your personal CHRIS information from this website, you are required to log in using a CHRIS User-ID and Password. If you do not have a CHRIS User-ID and Password, you can generate a CHRIS User-ID by entering your social security number and Employee Express (EEX) Password into the fields below, and create a CHRIS Password by entering a personal password into the two password fields below.

If you do have CHRIS User-ID and have forgotten the Password then you can enter your social security number and EEX Password into the fields below, and reset your CHRIS Password by entering a new personal password into the two password fields below.

If you do not have an EEX Password, have lost or forgotten it, or want to change it, it can be done on line at www.employeeexpress.gov or by calling the OPM EEX Helpdesk at (478) 757-3030 and choosing the "PIN" option.

If your SSN and EEX Password do not match the records, you will not be able to generate a CHRIS User-ID and create/reset a CHRIS Password.

Register / Reset Password

* Indicates required field

* Social Security Number
Exclude hyphens (-) in Social Security Number. Examples: 967928123.

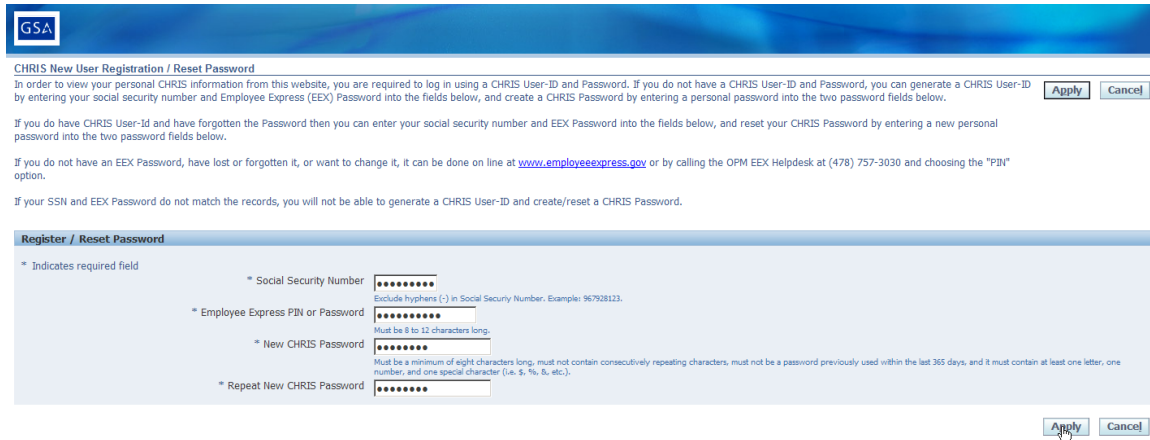

* Employee Express PIN or Password
Must be 6 to 12 characters long.

* New CHRIS Password
Must be a minimum of eight characters long, must not contain consecutively repeating characters, must not be a password previously used within the last 365 days, and it must contain at least one letter, one number, and one special character (i.e. \$, %, !, etc.).

* Repeat New CHRIS Password

Note: CHRIS Password Rules: Must be a minimum of eight characters long, must not contain consecutively repeating characters, must not be a password previously used within the last 365 days, and it must contain at least one letter, one number, and one special character (for example: \$, %, !, etc.).

Enter your SSN (without dashes) into the Social Security Number field. Enter your EEX password into the Employee Express PIN or Password field. Enter a CHRIS Password, of your choosing, into the New CHRIS Password and Repeat New CHRIS Password fields. Click the “Apply” button.

(example: JOHNPD0E)

*Password
(example: 135chr1s#)

Accept and Login

Enter your personal CHRIS Password, created in the preceding steps, into the Password field. When you click the “Accept and Logon” button, you are acknowledging that you understand and will comply with each requirement, as written.

The screenshot shows the CHRIS system login interface. At the top is the GSA logo. Below it is a 'Confirmation' section with a message: 'Your CHRIS Password has been reset to the new personal password you entered. Please re-enter your personal password to login into the system. Your new CHRIS Password will expire after 90 days.' This is followed by a 'WARNING' section stating that unauthorized use of the system is subject to criminal prosecution. Next is a 'PRIVACY ACT WARNING' section. Then is a 'SECURITY INCIDENT' section. Below these is a 'RULES OF BEHAVIOR' section with several bullet points. At the bottom of the text area is a line: 'I acknowledge that I have read and understand the rules of behavior for access to CHRIS and that I will abide by these rules and the specific security rules of my agency.' Below the text area is a login form with two fields: 'User Name' with the value 'JOHNPDoe' and 'Password' with masked characters. Below the password field is an 'Accept and Login' button, which is being clicked by a mouse cursor.

Confirmation
Your CHRIS Password has been reset to the new personal password you entered. Please re-enter your personal password to login into the system. Your new CHRIS Password will expire after 90 days.

WARNING: This is a Government computer system. Your use of it, authorized or unauthorized, constitutes consent to official monitoring. Unauthorized usage of a Government computer system may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be provided to appropriate personnel for administrative, criminal or other action (18 U.S.C. 1030).

PRIVACY ACT WARNING
